Phone: 07948202750 | **Email:** Zakaria.09@hotmail.co.uk

I'm about to graduate in Web Production at Teesside University. I'm a Front-End Developer who specializes in JavaScript, I'm passionate about creating outstanding User Interface that users enjoy interacting with. I absolutely love learning and I'm willing to learn any new technology to further my career.

#Skills

Bitbucket

Prince2

Frameworks UI/UX

React

Yii2

Angular 4+

Bootstrap

Angular (PWA)

Wireframing

Material Design

Adobe Illustrator

User Stories

Usability Testing

#Projects

NHS North Tees / University Project

2018 - October – December:

↳ Developed my first full Angular Project.

↳ Implemented Authentication through Firebase.

↳ Implemented client-side form validation for forms.

↳ Hosted the solution on Amazon Web Services for the client.

Personal Project / React Movies DB

September 2018:

↳ Created a Movies DB app using ReactJS to learn more about the ReactJS Library.

↳ Used a third-party API The Movies DB to get the data about different movies.

↳ Hosted the project on Amazon Web Services.

Final Year Project / 7v7 - Football App

February 2019 - May 2019:

↳ Created a Progressive Web App using Angular for the Teesside Uni 7 a Side Football League.

↳ Implemented a database for the App using Angular Firebase Cloud Firestore as a backend.

↳ Implemented Google's Material design by using Angular Material.

↳ Setup user roles through Authentication using Firebase to Authenticate Users.

↳ Coordinated closely with the 7 a Side League organizer to test UX through usability tests.

#Professional Experience

WannaBe Enterprises / Web Developer (Voluntary)

February 2019 - May 2019: Middlesbrough | Remote

↳ Built a new website for the charity to get their message out there.

↳ Adapted a template landing page for the charity's website.

#Education

Teesside University / Web Production (BSc) Hons

2015 - 2019: Middlesbrough
